# Impact and results

**What our  
customers  
are realizing:**

*It's taken my accounting team from being data enterers to data analysts.*

**Don Jenkins**  
VP of Finance &  
Technology, Mayo Aviation

*We have 45 companies... and the system figures out where it needs to go to. It is quite impressive!*

**Monique Jaqqam**  
CFO, Basecamp

**Controller**

**Purchasing  
Manager**

**COO**

**A/P  
Specialist**

**A/P  
Specialist**

**CFO**

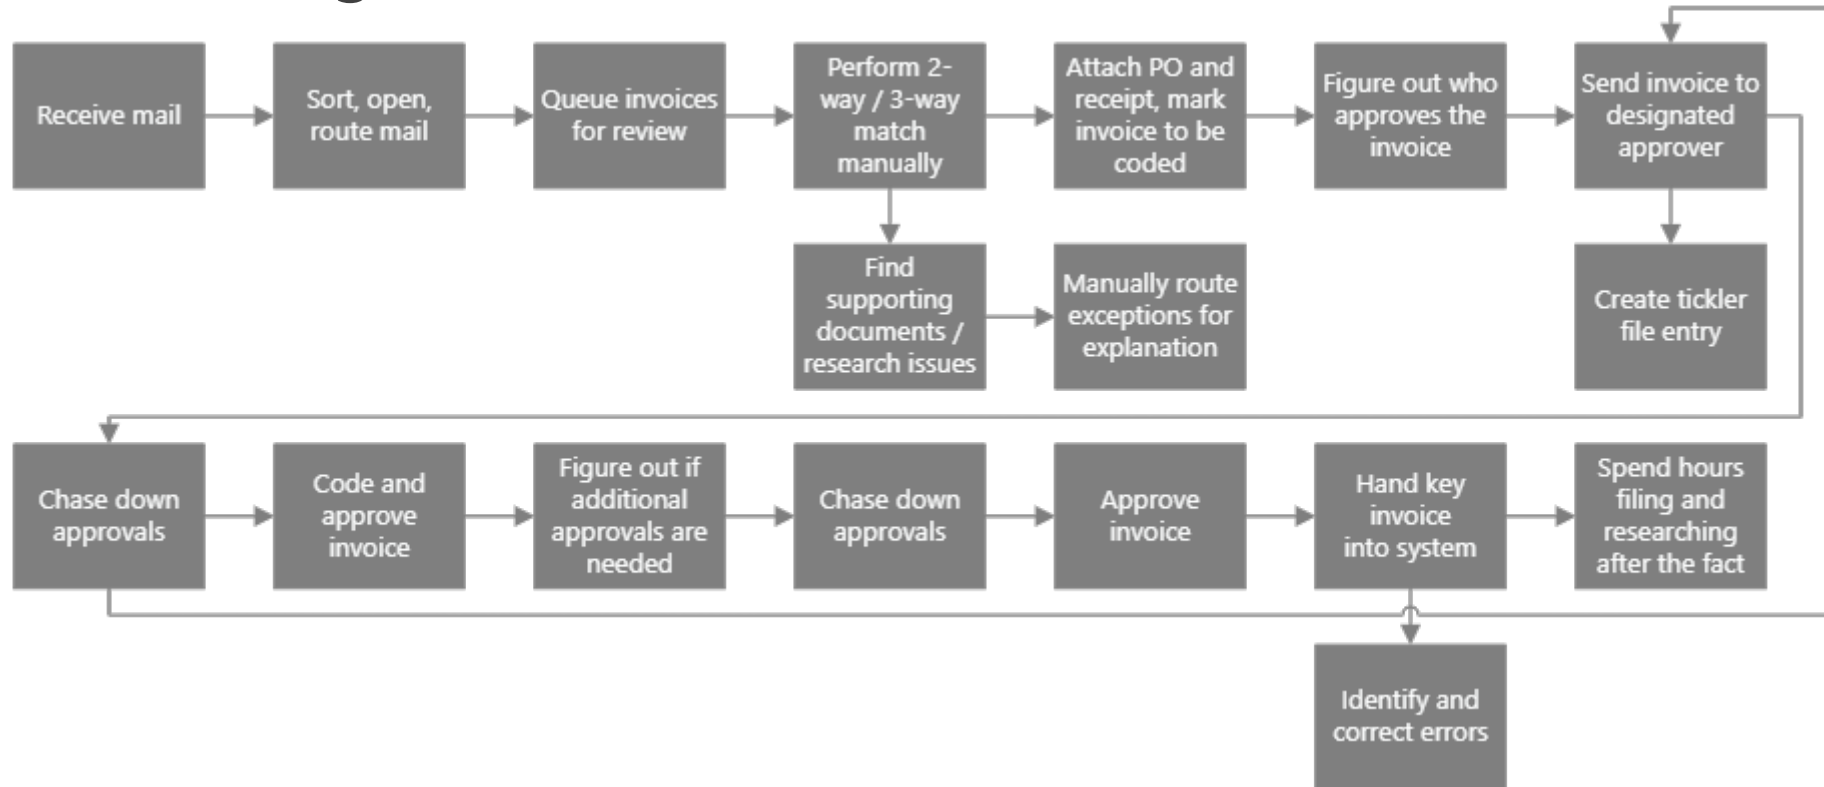

**1st Level  
Approver**

**CEO**

**2nd Level  
Approver**

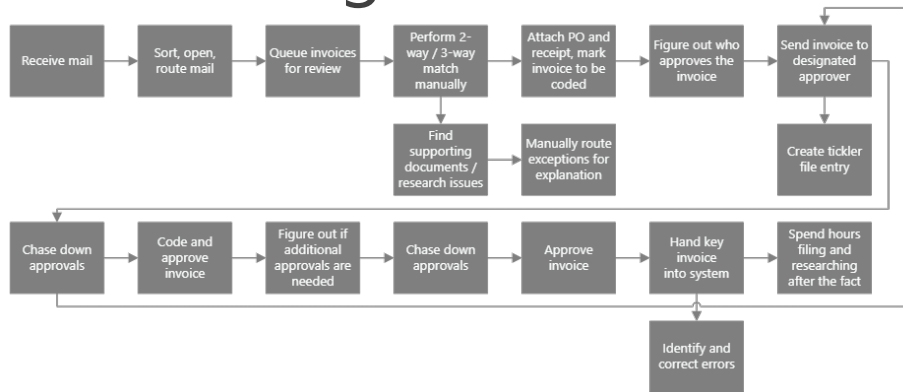

# True digital transformation

Had enough?

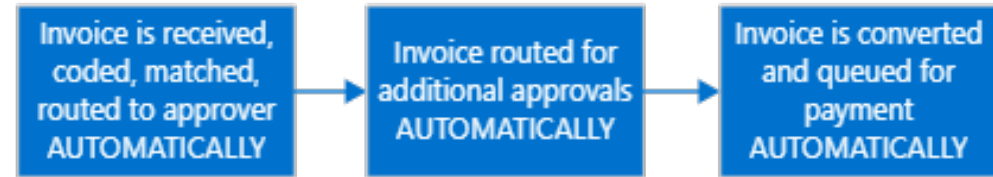

# True digital transformation

Had enough?

Time to choose this:

1

Manual data entry and validation

2

Research and chasing down approvals

3

Compromised internal controls

**WHERE IS THE VALUE ADD?**

# Digital transformation for the Finance department

Continia  
Document  
Capture

Complete A/P automation for  
Business Central users.

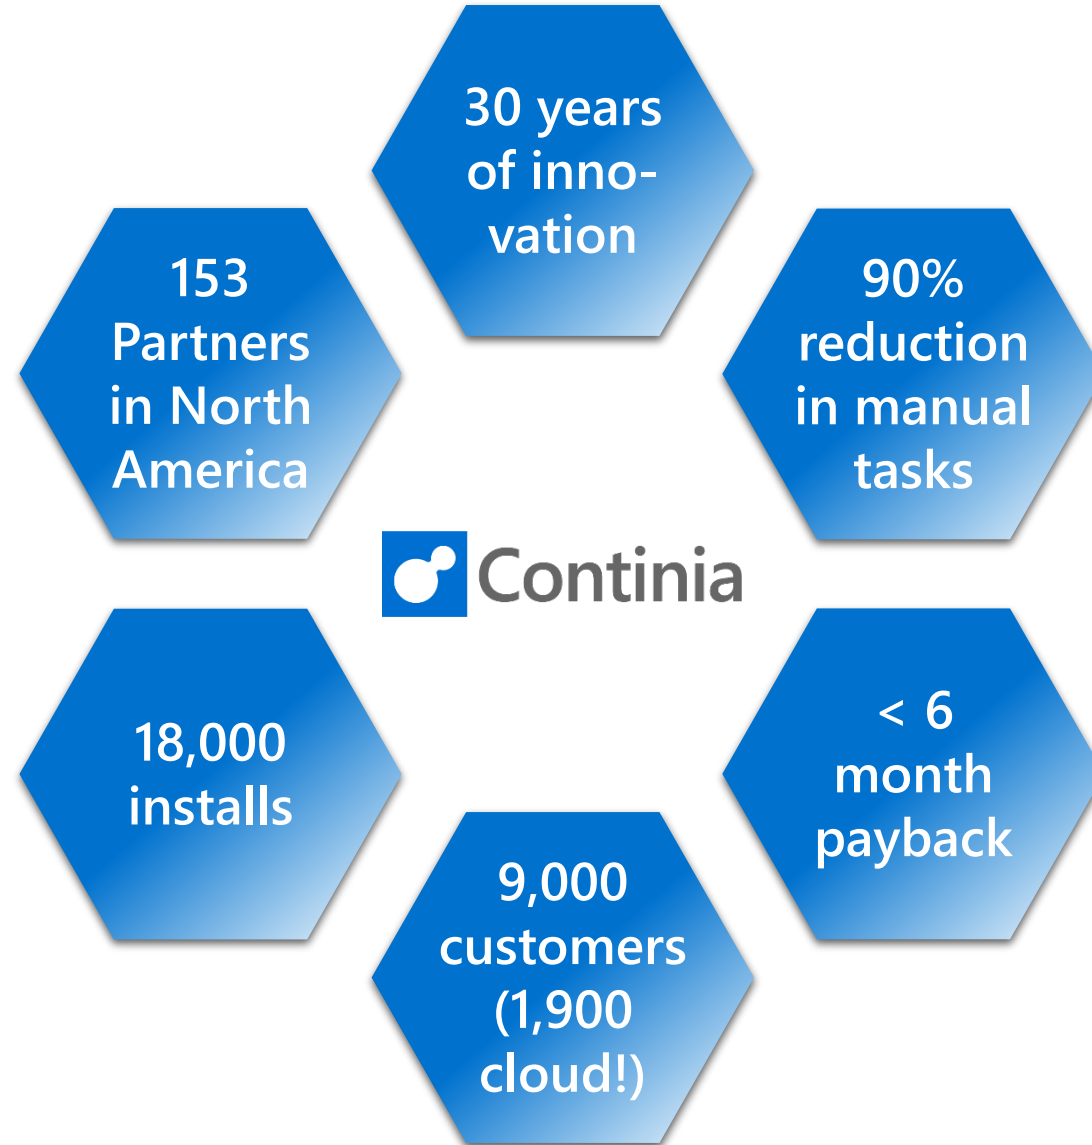

Continia  
Expense  
Management

Easier-than-ever registration of  
business-related expenses and  
activities in Business Central.

Continia  
Document  
Output

Complete overview of your  
outbound documents with a full  
audit trail of e-mails, printouts,  
and electronic documents.

# It's a no-brainer

## For the CFO / Controller

- 90% reduction in related manual tasks
- <6 month payback
- Opportunity to take payment discounts
- Tightened controls
- Reduced errors
- Happy auditors

## For the accounting team

- No more coding stamps
- No more straining to read someone's handwriting
- No chasing people for approvals
- No more coding errors
- No more paper and filing and tickler folders!

# It's a no-brainer

- Truly built inside and ONLY for BC / NAV
- Automated 3-way matching on line level (DC)
- Separate approval portal (DC)
- Live integration with AMEX/VISA/MC corporate cards (EM)
- Send any type of document (including live generated attachments) in batches automatically (DO)

# FAQs

Do you work with MEM?	Yes!
Do you do 3-way matching?	Yes!
Do you handle other types of documents besides invoices?	Yes!
Do you have to be a BC user to approve documents / expenses?	No!
Do you support NAV?	Yes!
How is it priced?	You'll see 😊

Demo time!

# It's go time
